Language Courses

A basic knowledge of English (at least two years in school) is obligatory for students just starting to learn German. Participants will be divided into three teaching groups after sitting a placement test on the first day. Students in our beginners' group will cover basic language skills and a priority will be given to conversation.

Intermediate students will read and discuss articles, short stories, and play scenes. To improve their knowledge of grammar and expand their vocabulary, they will read challenging and engaging texts and discuss current topics covered in the media.

Advanced students will be encouraged – with the support of their teachers – to compose essays and reports on different current topics discovered in newspapers or literary texts. Debating, giving presentations and writing and acting scenes are also part of the lessons.

All students also contribute to the course magazine they take home at the end of the programme. All German teachers are native speakers with many years of teaching experience in both German and German as a foreign language. Maximum size of any course group is 12 students.

Afternoon Activities

In the afternoon, you will spend the first week engaging in one activity and the second one doing another. Select **four** activities. Please indicate your 1st, 2nd, 3rd and 4th choice:

☐ Tennis > ☐ beginner ☐ advanced – playing for _____ years

☐ Sailing ☐ Rowing ☐ Rock-climbing ☐ Teamsports

☐ Cooking & Gardening ☐ Art, Design & Photography

Wednesday Excursions

On Wednesday afternoons our unique location enables us to offer trips to Garmisch-Partenkirchen and to Bavaria's capital, Munich, where we will get to know the inner city. During these excursions, activities may include visiting various places such as the Olympic Park, different museums, the Allianz Arena, the English Garden and surroundings and many more.

Weekend Excursion

During the second weekend, all participants will move to a mountain cabin in Austria, Kleinwalsertal, to experience the outdoors, a unique team spirit and challenging activities. During this programme OUTWARD BOUND Germany is our professional partner.

We offer three different groups to choose from. Please indicate your first and second choice:

☐ **Teamwork & Abseiling:** Orienteering on a more moderate hike, learning to trust one another in truly challenging situations and abseiling from an impressive bridge are the main pillars of the programme in this group.

☐ **Culture, Nature & Ecological Awareness:**
Immerse yourself in the world of local mountain farmers and develop an understanding of their current challenges. Orienteering, hiking through a creek bed and cooking on fire are additional parts of this varied programme.

☐ **Alpine hike & Climbing:**
Climbing and a flying fox as well as a challenging 5 to 6 hours alpine hike to a nearby summit are composing this rather ambitious programme.
